

Award Certificate

Congratulations! You are the winner of the 2nd Poster Prize awarded for presentation of particularly significant innovative analytical research on the occasion of the Euroanalysis XII Conference, Dortmund, September 8 to 13, 2002. This Award, sponsored by Springer-Verlag, entitles you to a free selection of books published by Springer up to a value of Euro 200 and a free personal subscription to 'Analytical and Bioanalytical Chemistry' for the year 2003.

Christina Dyllick
Springer-Verlag

S. Gauglitz Editor
'Analytical and Bioanalytical Chemistry'

Please address your orders, including a copy of this certificate, to: abc@springer.de; fax (49)6221-4878629

You are warmly invited to submit a manuscript of your Poster for publication in the special issue of 'Analytical and Bioanalytical Chemistry' devoted to Euroanalysis XII. On acceptance, your paper will be published with a footnote indicating that it was awarded this Prize.
